

Center for EPR Imaging in Vivo Physiology

Department of Radiation & Cellular Oncology • Division of The Biological Sciences and The Pritzker School of Medicine • The University of Chicago

2017 In Vivo Oxygen Imaging Workshop

The University of Chicago • June 28-29, 2017

TOPICS:

- EPR oxygen imaging
- Oxygen-guided radiation therapy
- Small animal treatment targeting
- Other applications of EPR imaging
- Approaches to the clinical EPR

PRELIMINARY PROGRAM:

- Location: University of Chicago
BSLC Classroom 305
- June 28th: 9 AM—5 PM
- June 29th: 9 AM—2 PM

SPEAKERS:

- University of Chicago – **Boris Epel, Ph.D.**; **Howard Halpern, MD, Ph.D.**
- O2M Technologies – **Mrignayani Kotecha, Ph.D.**

REGISTRATION:

Please email Boris Epel bepel@uchicago.edu to register for this free workshop. Accommodations for the days of the workshop will be provided by the Center. Traveling stipends within US are available.
